

Z

Zocular®

OPHTHALMOLOGIST DEVELOPED

Daily lid hygiene for patients with Demodex.

Instructions for use

ZocuWipe

1. Unfold moistened ZocuWipe towelette and place over fingers.
2. Close eyelids and lightly scrub across lash line for 10-15 seconds. *Avoid direct eye contact.*
3. *No rinsing needed.* Apply moisturizer, mascara, or makeup after cleaned area is dry.

ZocuFoam

1. Wash hands and remove any contact lens.
2. Place foam onto fingertips.
3. Gently scrub closed eyelids and/or face. *Avoid direct eye contact.*

ZocuShield

1. Apply a thin strip of ZocuShield gel across the lower eyelid.
2. Close the eyelids and massage the gel over the lash and eyelids using gentle circular motions.
3. *Repeat for the other eye.*
