## Zocular®

OPHTHALMOLOGIST DEVELOPED

Daily lid hygiene  
for patients with Demodex.

Use Zocular daily to maximize results

### DID YOU KNOW?

These ingredients have the following known natural properties:

#### Ingredient

#### Known natural properties!

Hibiscus Esculentus  
AKA Okra extract

· Anti-inflammatory · Anti-microbial · Anti-oxidant

Aloe Vera

· Anti-inflammatory · Anti-microbial · Anti-oxidant

Citrus (Unshiu) Extract

· Anti-inflammatory · Anti-microbial · Anti-oxidant

Caffeine

· Anti-oxidant

The natural anti-inflammatory, anti-microbial, and anti-oxidant properties of Okra (Hibiscus Esculentus) extract support the reduction of Demodex mites by taking away its food source.

Okra, Aloe, Citrus extract, and Caffeine when combined can provide an effective and more comfortable alternative to Tea Tree Oil for eyelid hygiene.

The natural anti-inflammatory, anti-microbial, and anti-oxidant properties of Aloe Vera and Citrus Extract have been known to reduce skin irritation and redness. Patients suffering from Demodex infestation may experience skin irritation and redness on their eyes.

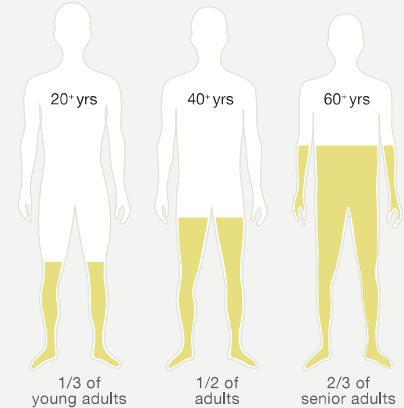

The single most important treatment for the reduction of Demodex mites is *a regular routine of eyelid hygiene.*

The Demodex mites live in or near hair follicles and thrive on fats and oils. They reproduce, lay eggs and have a total life span of about 3 weeks.

*Routine and ongoing lid hygiene is important for all patients with a history of Demodex infestation.*

Demodex infestation may cause patients to experience skin irritation and redness on their eyes.

Prevalence of Demodex mites is significant in the adult population, increasing with age.

#### Recommended Usage:

In-Office Treatment	ZocuKit	Provides patients with a simple and easy in-office solution for cleaning eyelids: 1. <b>Initiates</b> and sets patient expectations 2. <b>Demonstrates</b> to patients the comfort of the product
At Home Treatment	ZocuWipe	1 time daily, prior to bedtime or as ECP recommended, continue for 6-8 weeks
	ZocuFoam	
	ZocuShield	

Product	Contains
